

Prayer to Noble Avalokiteshvara

Excerpt from the prayer by Thangtong Gyalpo

I pray to you, guru Avalokiteśvara.

I pray to you, deity Avalokiteśvara.

I pray to you, perfect noble Avalokiteśvara.

I pray to you, lord protector Avalokiteśvara.

I pray to you, lord of love Avalokiteśvara.

Great, compassionate Victorious One, please hold us with your compassion.

For numberless beings who wander in endless saṃsāra experiencing unbearable suffering, there is no refuge other than you.

Please bestow the blessing to obtain omniscient buddhahood.

Om Ma Ni Pad Me Hung

oṃ maṇi padme hūṃ

Through this virtue, may I quickly achieve the realization of Avalokiteśvara and may I bring every single being to that same state.
